REFERENCE: OCTOBER MONTHLY REPORT (09/01/2016 - 09/30/2016)

Dear Ms. Mongeon:

This statement is in response to the Commission's letter dated November 20, 2016 regarding five items.

First, with respect to the non-federal committees listed, our Committee has safeguards in place to ensure these committees used permissible funds for their contributions. After research, the Committee has confirmed that these non-federal committees used federally permissible funds.

Second, it appears that the Conservative Action Fund (C00496505) did meet the requirements for qualified multi-candidate status before the date the contribution was made to our Committee. According to the Form 1M filed by the Conservative Action Fund on 11/22/2016, the Conservative Action Fund met the multi-candidate requirements on 10/30/2014. As for the contribution from the Manufacturer and Business Association Political Action Committee (C00199463), our Committee has refunded that contribution and it will be reflected on the appropriate report. InterDigital, Inc., PAC had already contributed to the Committee, and additional funds were contributed via the joint fundraising committee, Trump Victory (C00618389). The excessive amount has been returned to that committee for proper reallocation, and will be disclosed on the appropriate report.

Third, you requested clarification on contributions that appear to exceed federal limits. 127 of the contributions have been refunded or reattributed and will be reflected on the appropriate report. 13 contributions were charged back to the contributors' credit cards. Those chargebacks were included on the appropriate report but were mistakenly unitemized. The chargebacks will be itemized on the appropriate Amended report. Cash on hand is not affected. The remaining 176 contributions came from contributors who had already contributed to the Committee, and additional funds were contributed via a joint fundraising committee, either Trump Victory (C00618389) or Trump Make America Great Again (C00618371). Any excessive amounts have been returned to that committee for proper reallocation, and will be disclosed on the appropriate report.

Fourth, contribution refunds for the individuals listed in the RFAI were reported with the incorrect election designations. These election designations will be corrected on an amended report.

Fifth, the in-kind contributions from Boris Epshteyn and Ryan Jarmula were inadvertently unitemized on Schedule A and will be itemized on an amended report. Cash on hand is not affected.

Additionally, the missing election designations for contributions disclosed on Schedule A-P for Line 18 have been supplied on the amended report being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,
